

Top 100 most utilized drugs

Below is a list of the top 100 utilized drugs covered under our Group Retiree plans. This is not a complete list of drugs covered by our plan. For a complete list, visit thpmp.org/drug-coverage.

Tier 1: Generic

Tier 2: Preferred brand

Tier 3: Non-preferred brand

CAPS: Brand name drug

QL: Quantity limit applies. These drugs have dispensing limitations and the pharmacy will only dispense a certain quantity of a drug within a given time period.

PA: Prior authorization required. The prior authorization process encourages rational prescribing of drug products with significant safety and/or financial concerns. A provider can submit a request for coverage based on a member's medical need for a particular drug. If approved, the member pays the designated tier copayment. An appeal process exists for denied requests.
